On February 1, 2008, a Decision and Direction of Election issued in the above-captioned proceeding. As a result of inadvertent error, that Decision failed to reflect the parties stipulation that the definition of regular part-time employees included in the bargaining unit was limited to those employees who averaged at least 4 hours per week during the 13 week period preceding the issuance of the Decision. The Decision and Direction of Election is hereby amended to reflect that stipulation.

Dated: at Brooklyn, New York, February 1, 2008.
